

# Wall Bracket for 6 Products

460 mm

**Item Number: 0618**

Stainless steel wall bracket featuring ultra-hygienic design. A special mount ensures distance to the wall, ensuring easy cleaning between the bracket and wall. Store cleaning tools on wall brackets to increase their durability.

## General Information

|                            |                            |
|----------------------------|----------------------------|
| Material                   | Stainless Steel (AISI 304) |
| UNSPSC Code                | 47131613                   |
| Country of Origin ISO Code | CN                         |
| Country of Origin          | China                      |

## Product Dimensions

|                      |         |
|----------------------|---------|
| Product Length/Depth | 460 mm  |
| Product Width        | 65 mm   |
| Product Height       | 55 mm   |
| Net Weight           | 0.59 kg |

## Packaging & Shipping Details

|                                                          |                |
|----------------------------------------------------------|----------------|
| Box Quantity                                             | 1 Pcs.         |
| Quantity per Pallet (80 x 120 x approx.180 cm)           | 360 Pcs.       |
| Quantity Per Layer (Pallet)                              | 120 Pcs.       |
| Box Length/Depth                                         | 470 mm         |
| Box Width                                                | 80 mm          |
| Box Height                                               | 60 mm          |
| Cardboard Packaging (Recycling symbol "20" PAP) per Pcs. | 0.095 kg       |
| Total Tare Weight                                        | 0.095 kg       |
| Gross Weight                                             | 0.68 kg        |

| Customs Tariff Number                                    | 83025000       |

## Compliance & Standard Details

|                                                         |    |
|---------------------------------------------------------|----|
| Complies with UK 2019 No. 704 on food contact materials | No |
|---------------------------------------------------------|----|

## Item Number: 0618

|                                                   |     |
|---------------------------------------------------|-----|
| Complies with REACH Regulation (EC) No. 1907/2006 | Yes |
| Complies with California Proposition 65           | Yes |
| Complies with Halal and Kosher                    | Yes |
| PFAS intentionally added                          | No  |

## Usage Limits

|                                                   |         |
|---------------------------------------------------|---------|
| Recommended sterilisation temperature (Autoclave) | 121 °C  |
| Max. cleaning temperature (Dishwasher)            | 93 °C   |
| Max usage temperature (non food contact)          | 100 °C  |
| Min. usage temperature <sup>3</sup>               | -20 °C  |
| Min. pH-value in usage concentration              | 2 pH    |
| Max. pH-value in Usage Concentration              | 10.5 pH |

## Design & Patent Registration Details

|                         |                 |
|-------------------------|-----------------|
| Design Registration No. | EU 00807284-002 |
|-------------------------|-----------------|

New equipment should be cleaned, disinfected, sterilised and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care units, before use.
