

10134

# Hygienic Wall Bracket, Grip Band Module, 3.2", Red

The grip band module is designed for storing cleaning tools without a hanging hole. Slide the grip band module onto the supplied double-base/spacer from the left or right side. The grip module can hold products with a diameter of 25-35 mm. The grip band module is easy to disassemble for cleaning or replacement.

# Technical Data

New equipment should be cleaned, disinfected, sterilized, and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care units, before use.

1. See Declaration of Compliance for further details on food contact
3. Do not store the product below 32 °Fahrenheit.
