

Wash Fleece Sleeve

380 mm, White

Item Number: 474315

The Vikan Wash Fleece cleans windows, walls, and other smooth surfaces with ease, thanks to its plush microfibre texture. The Wash Fleece's texture retains soap and water, delivering cleaning solution precisely to where it's needed. Its thick pile also helps to remove and trap dirt, rather than merely spreading them across the surface. Pair it with the Wash Fleece Holder (475218) for an ergonomic grip. The Wash Fleece securely attaches to the holder with Velcro, making it convenient to remove and reattach for cleaning and replacement.
