Damp 48 Heavy Duty, Hook & Loop, 60 cm, Grise

Nettoyez les sols lisses moyennement sales à très sales grâce à la Damp 48. Ses bandes de microfibre surélevées détachent la poussière incrustée, tandis que les franges récupèrent les particules plus lourdes. Structure robuste faisant appel à de la viscose absorbante et à de la microfibre pour absorber l'humidité et étendre la zone couverte.

Wash the products as soon as possible after use - to reduce the risk that dirt becomes ingrained with stains and odors as result.

First wash should be done at minimum 85 ° C and separately to avoid staining

Wash cloths and mops of various types separately, to avoid contaminating each other with lint.

Pre-rinse in cold water with frequent water change, no added chemicals - in order to remove any chemicals that can have been used for cleaning and may interfere with or cause a negative impact on the fabric at higher temperatures in the washing process

Use Damp

Recommended preparation 175 % of item weight

Wash the products as soon as possible after use - to reduce the risk that dirt becomes ingrained with stains and odors as result.

First wash should be done at minimum 85 ° C and separately to avoid staining.

After washing a mop 20 times it will take the correct size as it will shrink from the first usage 7,5%.

Wash cloths and mops of various types separately, to avoid contaminating each other with lint.

Pre-rinse in cold water with frequent water change, no added chemicals - in order to remove any chemicals that can have been used for cleaning and may interfere with or cause a negative impact on the fabric at higher temperatures in the washing process.
