

# Microfibre Washing Pad, Double sided, 20 x 25 cm

200 mm x 250 mm

**Item Number: 552052**

The microfibre car wash pad is a versatile alternative to the Vikan Wash Mitt that offers a larger, flat cleaning surface for quick and efficient washing. Designed to hold plenty of water and cleaning solution, it glides smoothly over panels, lifting away dirt without scratching. Perfect for covering large areas with ease, the pad delivers a streak-free finish with minimal effort. Cleaning of exterior only.

Pallet Height

177 cm

---

Wash the products as soon as possible after use - to reduce the risk that dirt becomes ingrained with stains and to avoid scratching the vehicle surface.

Wash each product type separately, to avoid contaminating each other with lint.
