## Colour Coding Rubber Band x 5, 1.6", White

Vikan rubber bands are the hygienic solution for secondary colour coding of cleaning equipment. The convenient bands fit shovels and vacuum cleaner nozzles.

# Technical Data

|                                                                         |                 |
|-------------------------------------------------------------------------|-----------------|
| Item Number                                                             | 98025           |
| Material                                                                | Silicone rubber |
| Complies with (EC) 1935/2004 on food contact materials <sup>1</sup>     | No              |
| Complies with EU Regulation 2023/2006/EC of Good Manufacturing Practice | Yes             |
| Complies with FDA Regulation CFR 21 <sup>1</sup>                        | Yes             |
| Complies with UK 2019 No. 704 on food contact materials                 | No              |
| Meets the REACH Regulation (EC) No. 1907/2006                           | Yes             |
| Complies with California Proposition 65                                 | Yes             |
| Complies with Halal and Kosher                                          | Yes             |
| PFAS intentionally added                                                | No              |

New equipment should be cleaned, disinfected, sterilized, and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care

units, before use.
