

Wash. Dry. Perfect.

The complete microfiber range
for a safe, scratch-free shine

Achieve a flawless finish every time
with our new microfiber range

The Car Wash Mitt gives you control and
precision, while the Car Wash Pad covers
large surfaces quickly and safely.

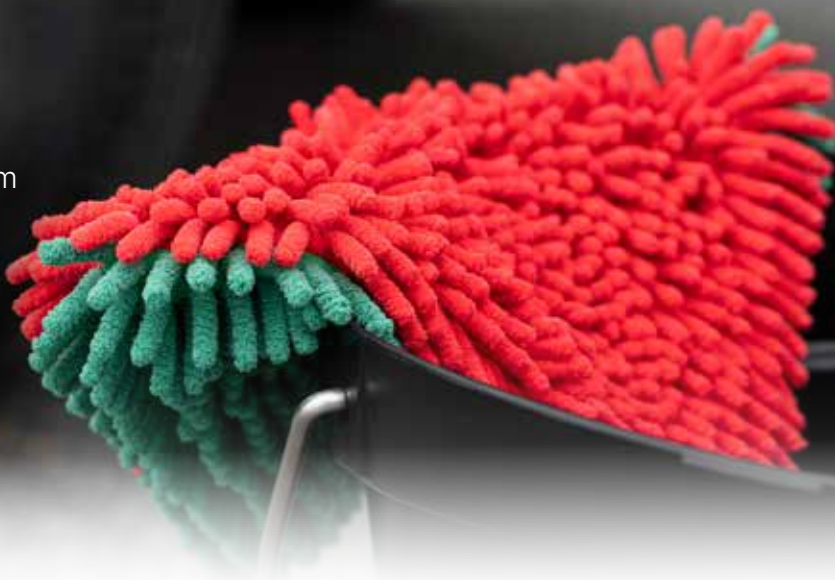

Finish with the ultra-absorbent Drying Cloth,
designed to leave your car spotless and
streak-free.

Safe, effective, and built for car enthusiasts
who want the best.

Why Microfiber?

All three products are made from premium microfiber, a material trusted by car care professionals. Its ultra-fine fibres gently lift and trap dirt, dust, and water without scratching or leaving streaks. Microfiber holds several times its own weight in liquid, making washing and drying faster, safer, and more effective than with traditional materials.
