## Vikan introduces ergonomic Pastry Brushes for baking industry

Vikan, the global leader in professional cleaning tools and systems, is introducing three new ergonomically designed and colour-coded Pastry Brushes specifically designed for the baking industry.

Available in 30mm, 50mm and 70mm widths, the new brushes are designed for baking operations large and small.

“These new pastry brushes have fine, soft bristles that are ideal for applying egg, oil, sugar glazes and icing to cakes, biscuits, buns, pastries, bread and rolls,” said Sune Schmidt, Vikan’s Design and Development Engineer. “At Vikan, we understand that baking is a delicate art and that using the best function-specific tools ensures the best finished product.”

The new Vikan Pastry Brushes for the baking industry:

- Are compliant with EU requirements for food contact materials and accompanied by the required DoC documentation
- Can be used safely in contact with raw and cooked food up to 80°C
- Are available in green, blue, red, white and yellow to comply with HACCP requirements for colour segregation to prevent cross-contamination and control allergens

The new Vikan Pastry Brushes are available now. For more information, contact Vikan Customer Service at [export@vikan.com](mailto:export@vikan.com), call us on +45 96 14 26 10, or visit [Vikan.com](http://Vikan.com).
